Dear Tim

I wish to acknowledge the VERY generous gift of \$600.00 from the Westside and West Coast Golf Club members. It is noted that the West Coast Club played a major part in this effort. Please pass on to all concerned our sincere thanks for this wonderful support.

For over 40 years this Foundation has raised funds for research into childhood cancers. We could not have achieved this without support from our loyal community of clubs and associations, as we get very limited funding from government, through grants etc.

Projects currently funded by CLCRF include infantile leukaemia, acute lymphoblastic leukaemia and sarcoma research. This continued support will enable us to continue providing essential funding for these programs.

With around 750 children (ages 0-14) diagnosed with cancer every year in Australia alone, and no known prevention methods, research is our only hope for finding a cure.

Children are our future and with your support we hope to make that future brighter and we sincerely thank you.

Yours sincerely

Mrs Andrea Alexander
CHIEF EXECUTIVE OFFICER
